

THERESA BEHENNA

Keynote Speaker * Entertainer * Emcee * Author * Recording Artist

Do you need an uplifting CHANGE at your next event?

No more snooze fests!

Wake 'em up with a speaker that's fresh, funny & unforgettable!

Australian born Theresa Behenna is an award winning speaker, internationally acclaimed piano entertainer and totally unrelated to Olivia Newton John. Describing herself as “young, fearless and a diva wannabe” Theresa left her native homeland to pursue a musical career that began on a cruise ship and resulted in touring the world on a piano bench encountering celebrities such as **Andrew Lloyd Webber, Matt Lauer, Elton John, ‘James Bond’ and Andrea Bocelli.**

A former bank clerk, waitress, actress, secretary and TV talk show host, Theresa moved to the United States as a small business owner and began combining popular songs with Aussie humor, original stories and a motivational message that launched her into the speaking industry. In 2006 her extraordinary career was highlighted when **Coca Cola hired her to perform at the Winter Olympics in Italy.** Theresa's entertaining keynotes have been in demand to kickoff and close conferences due to the unique fact she plays the piano to emphasize relevant points resulting in

universal appeal that energizes and uplifts audiences. Her extensive international experience, timely message, humorous speaking style and outstanding musical talent connects her to diverse cultures and all generations in today's global society.

Theresa is a professional member of the National Speakers Association where she won the John Wolfe Award for speaking excellence by her Houston peers in 2007. She is a founding member of the Australian-American Chamber of Commerce and former President of the Piano Entertainers Guild. She is a contributing author to the anthology "Rekindling the Human Spirit." Her top selling piano CD "Songs for Friends" was recorded in 2001 with her second album soon to be released.

HERESA'S COOLEST KEYNOTE

CHANGE YOUR TUNE, CHANGE YOUR LIFE!

The Upside of Change in a Downsized Economy: Learning to Rock 'n' Roll with Life's Twists 'n' Turns

Within minutes audiences are laughing out loud, clapping along to live music and listening spellbound to original stories as they gain hope for the future, encouragement to pursue goals and inspiration about new possibilities within changing times. Combining amazing musical talent, high energy, masterful motivation and delightful Aussie humor Theresa helps people view Change as a great opportunity for higher levels of success. She shares life changing lessons that began with being laid off from her office job to a piano bench that took her from playing in a honky-tonk pub in Australia, to twelve countries around the world, to performing at the Winter Olympics in Italy. Morale is boosted and stress is eliminated as attendees experience the dynamic power of music that positively influences mood and behavior. Minds are opened to provoke new thought in discovering how tough times can be a catalyst for more success, the significance of words to achieve goals, the benefits of moving through fear and failure, the power of persistence, the danger in resisting Change and the fundamental value of acceptance in today's global society. Theresa customizes to fit your needs and writes a song specifically about your group.

Audiences leave uplifted, energized, inspired to take on new challenges and REALLY glad they attended!

Outstanding! Theresa far exceeded our goals and expectations! She was relevant to our group with her customization yet inspiring and entertaining at the same time. Great message!
